

Homework, Week 2: Knots & the Woolly Bugger Rig

Five minutes a day beats an hour on Saturday. Print this sheet and stick it on the fridge.

- ☐ Tie the Davy knot 5 times on a shoelace or tippet. Wet it every time. Race a grown-up.
- ☐ Build the bobber-and-Bugger rig from scratch with no help, then take it apart and do it again.
- ☐ Draw your local pond from memory and mark one spot you think a sunfish lives.

Parents: you don't need to fish to help. Hold the hoop, count the reps, and ask what today's cue was. Five minutes of attention beats an hour of equipment.
