Homework, Week 6: Conservation & the Great Day

Five minutes a day beats an hour on Saturday. Print this sheet and stick it on the fridge.

- ☐ Do a real 5-rock survey at your water and record the rating. Tell someone the result.
- ☐ Practice a wet release: hands wet, fish in the water, quick unhook. Describe it back to a Harvey Leader.
- ☐ Write your one conservation commitment and put a date on it.

Parents: you don't need to fish to help. Hold the hoop, count the reps, and ask what today's cue was. Five minutes of attention beats an hour of equipment.
