Homework, Week 2: Knots & the Woolly Bugger Rig

Warm Waters practice sheet - pairs with the Warm Waters School pages. Five minutes a day beats an hour on Saturday. Print this sheet and stick it on the fridge. You do not need to buy a rod for homework.

☐ Tie the Davy knot 5 times on a shoelace or tippet. Wet it every time. Time yourself and beat your own best.

☐ Build the bobber-and-Bugger rig from scratch with no help, then take it apart and do it again.

☐ Draw your local pond from memory and mark one spot you think a sunfish lives.

Water rule: any practice at real water needs a parent or adult with you. No exceptions.

Partners: a parent, a buddy, or a Youth Helper can hold the hoop, count the reps, and ask what today's cue was. You don't need to fish to help. Five minutes of attention beats an hour of equipment.
